STATE BOARD OF STOCK INSPECTION COMMISSIONERS
COLORADO DEPARTMENT OF AGRICULTURE
BRAND INSPECTION DIVISION
4701 MARION STREET, SUITE 201
DENVER, CO 80216-2139

Dear brand owner or lessee:

The enclosed lease agreement form must be completed any time a Colorado brand is leased to another party. The fee to record a lease agreement is \$50.00 per agreement and must be recorded with this office. The term of the brand lease may begin on January 1, 2007 (or the current date) and will automatically terminate on December 31, 2011 or an earlier date if specified in the lease agreement. The 2007 assessment fee must be current and paid on the brand.

Please complete and sign the lease of livestock brand deed enclosed and return to this office along with the fee.

Recorded to (Lessor) - Print the names of the current owner(s) of this brand on the first line.

Lessee name(s) - Print the names of each lessee exactly as you wish the brand to be leased. If you put "and" between the lessee's names, all names must be included on the proceeds check for livestock sold. If "and/or" is indicated between the lessee's names, the brand may be used separately by each lessee if desired.

Mailing address, city, state and zip code - Please print the complete mailing address where you wish the certified lease agreement to be mailed for this brand.

Physical address, city, state and zip code - Please print the physical address where this brand will be used on livestock if it is different from the mailing address. If there are several different physical addresses, please put the "headquarters" address. A physical address and contact numbers will aid the brand inspectors and law enforcement in locating livestock owners in the case of missing livestock or emergencies.

Phone number(s) - You may include as many phone numbers as you wish. This information is optional.

Email address - This information is optional and not required to lease this brand. Email addresses may be used to contact lessee(s) at certain times possibly during the next renewal period for leases. Please try to limit to two email addresses per brand.

Premises number - Please indicate the USDA premises number if available. This information is not mandatory and the registering of premises is strictly voluntary at this time.

County of range - Please list the county or counties where this brand will be used in Colorado.

Species - Please indicate if this brand is recorded for cattle and horses or for sheep and goats.

Placement of brand - Please indicate which side of the livestock this leased brand will be used on. The lessor may restrict the placement of this brand to a certain location on the animal.

Term of the lease agreement - Please indicate a beginning date and an ending date for the term of this lease agreement. Please note: All lease agreements will automatically end on December 31, 2011, or an earlier date if specified on this line.

Conditions of the lease agreement - The lessor(s) may restrict the use of this leased brand to a certain number of head of livestock, to a certain species, etc. Please list all restrictions on this line.

Brand Drawing - Please draw the brand in the box indicated exactly as the brand is currently on record. The brand must be applied to the animal exactly as the brand is recorded in this office.

Earmarks - Please fill in the earmarks if you wish to use them with your leased brand.

Use of brand – Please mark one of the boxes to indicate if the brand is going to be used solely by the lessee or if the brand may also be used by the lessor.

Lessor signature(s) – All recorded owner(s) of this brand must sign the deed as lessor(s) of this brand. All lessor signatures must be notarized properly in the notary box provided on the deed. All owners must sign the lease deed exactly as their name(s) appear on the brand recording. The back of the form may be used for additional signatures or for additional notary space. If the brand is currently recorded to a company, corporation, partnership or ranch name, this office will require the signature of the president or secretary or general partner as listed with the Secretary of State's office. Please check with this office if you have any questions concerning who may sign for the company, corporation, partnership or ranch.

If any of the recorded owner(s) of this brand is deceased, please check with this office to determine if the brand is recorded as joint tenants or tenants in common. This office will advise you of the documents required to be submitted in order to process this lease agreement.

Lessee signature(s) – All lessee(s) listed at the top of the deed must sign the deed. The back of the form may be used for additional signatures. The lessee signatures do not need to be notarized.

Company, corporation, partnership or trust, etc.– If the brand is to be leased to a company, corporation, partnership or ranch name or a trust the following is required to be submitted along with the lease agreement.

- Company or corporation: This office will require **certification** of filing from the Secretary of State's office. Certification will consist of a certificate of good standing, a certificate of existence or a certified copy of the articles of incorporation. This office will also require the signature of the recorded president or secretary for that professional corporation. If the ranch or company is not filed with the Secretary of State's office, this office will require the brand to be leased to the individual's name(s) "doing business as" the ranch or company name. This does allow the lessee to sell livestock under the ranch or company name but the lease of the brand is under the individual name(s).
- Partnership: This office will require a copy of the partnership agreement showing the name of the partnership along with the members of the partnership. This office will require the signature of the general partner.
- Trust: This office will require a copy of the trust agreement showing the name of the trust and the trustees or a copy of the trust affidavit. This office will require the signatures of the trustees.

Please complete the deed between the double lines only. All other areas are to be completed by the brand office.

Upon receipt of the completed, signed and notarized lease deed, this office will process and record the lease agreement and return a certified copy of the lease deed to the lessee. The lessee must present the certified copy to the brand inspector each time livestock is sold or transported.

Please make your check or money order payable to STATE BOARD OF STOCK INSPECTION COMMISSIONERS. If you have any questions, please contact this office at 303.294.0895 or cara.wells@ag.state.co.us. Thank you.

Sincerely,

STATE BOARD OF STOCK INSPECTION COMMISSIONERS
